## **Report**

Our department organized an industrial visit to the Agri Expo held at CODISSIA, Coimbatore on 15.07.2024. The main objective of this visit was to provide students with practical exposure to modern agricultural technologies and innovations.

Nearly 110 students and 6 faculty members, along with the Principal, participated in this visit. During the expo, students explored various stalls and exhibitions related to agriculture. They learned about different agricultural inputs, modern farming equipment, irrigation systems, and advanced technologies used in the agricultural field.

Entrepreneurs and experts at the expo explained the services and products developed to support farmers and improve agricultural productivity. The students gained valuable knowledge about current trends and opportunities in agriculture.

Overall, the visit was informative and beneficial for the students. It helped them understand practical aspects of agriculture and made the learning experience memorable and meaningful.

### **Report**

The Department of Commerce and Management of Bon Secours Arts and Science College for Women, Southapuram, Veppadai, affiliated to Periyar University, organized the Association Inaugural Ceremony and Guest Lecture Program on “Tally with GST” on 26th July 2024 at the Seminar Hall of the college.

The program was conducted with the objective of inaugurating the department association for the academic year and to provide practical knowledge about accounting software and GST to the students. The Chief Guest, Mr. R. Muralidharan, M.Com., H.D.C.S., from Senseware Solutions, Erode, delivered an insightful guest lecture on “Tally with GST.” In his address, he explained the importance of accounting software in modern business practices and highlighted the practical applications of Tally in maintaining financial records and GST compliance. He also demonstrated how businesses can effectively manage transactions, prepare GST invoices, and generate financial reports using Tally software. The session was very informative and helped students understand the relevance of digital accounting tools in today’s business environment.

The session concluded with an interactive discussion where students clarified their doubts regarding Tally and GST. The program was highly beneficial as it enhanced the practical knowledge of students and encouraged them to develop skills required for accounting and taxation in the professional field.

### Report

The Department of Commerce and Business Administration of Bon Secours Arts and Science College for Women, Sowthapuram (PO), Veppadai, Namakkal, affiliated to Periyar University, jointly organized an **Online Faculty Development Program on “Financial Literacy of Faculty Members” on 29 July 2024 from 5.30 PM to 6.30 PM.**

The objective of the program was to enhance the financial awareness and knowledge of faculty members regarding effective financial planning, investment opportunities, and securities market operations. The session aimed to equip educators with practical financial knowledge so that they could manage their personal finances wisely and also guide students in financial decision-making.

The resource person for the program was Dr. P. Sudha, a SEBI and NSE Empaneled Securities Market Trainer. She delivered an insightful session on the importance of financial literacy, explaining various aspects such as saving habits, investment planning, risk management, and awareness about financial instruments available in the securities market.

During her presentation, she emphasized the need for systematic financial planning and encouraged participants to develop disciplined saving and investment practices. She also explained the role of regulatory bodies and the importance of being financially informed in the modern economic environment.

The program witnessed active participation from faculty members, who benefited from the informative and practical insights shared during the session. The interactive nature of the discussion enabled participants to clarify their doubts regarding financial management and investment strategies. E-certificates were provided to all the registered participants, and the event proved to be a valuable initiative in promoting financial literacy among faculty members.

### **Report**

An outbound learning programme on Entrepreneurship was organized on 08.08.2024 at the Incubation Center of Sona College of Technology, Salem. The programme was conducted with the objective of creating awareness among students about entrepreneurship and encouraging them to develop innovative business ideas.

The session focused on Outbound Learning on Entrepreneurship, which aimed to educate students about the importance of entrepreneurial thinking, innovation, and startup culture. The programme introduced students to the role of incubation centers in supporting young entrepreneurs by providing guidance, mentorship, infrastructure, and networking opportunities.

During the programme, the resource persons explained how students can transform their ideas into successful business ventures. They also discussed the process of developing startups, identifying market opportunities, and overcoming challenges faced by entrepreneurs. The students were also introduced to various facilities and support systems available at the incubation center to help them nurture their entrepreneurial skills.

The session was highly interactive and informative. Students actively participated and gained valuable insights into the entrepreneurial ecosystem. The programme motivated them to think creatively, develop leadership qualities, and explore entrepreneurship as a potential career option.

Overall, the outbound learning programme was very beneficial and provided practical exposure to students about the functioning of incubation centers and the opportunities available for aspiring entrepreneurs. The visit successfully inspired students to consider entrepreneurship and innovation in their future endeavors.

### Report

An Inter Department Guest Lecture Program on “Financial Planning for Generation Alpha” was organized in the Seminar Hall on 23 August 2024 at 2.00 PM. The objective of the program was to create awareness among students about the importance of financial planning from a young age and to understand the financial habits and needs of the upcoming Generation Alpha.

The resource person for the session was Dr. S. K. Kavitha, Vice Principal of Bon Secours Arts and Science College for Women, Veppadi. She shared valuable insights on how the younger generation can develop financial discipline and make wise financial decisions in the future. During her lecture, she explained the importance of saving, budgeting, and investing at an early stage of life. She also highlighted how technology and digital platforms influence the financial behaviour of Generation Alpha.

Dr. Kavitha emphasized the role of financial literacy in building a secure future. She encouraged students to develop good financial habits, understand the value of money, and plan their finances wisely. The session was very interactive, and students actively participated by asking questions and sharing their views about financial planning.

The program was informative and beneficial for the students as it enhanced their knowledge about financial management and the importance of planning for future financial stability. The session concluded with a vote of thanks expressing gratitude to the resource person for her valuable time and enlightening lecture.

### Report

The School of Commerce, ADVITA – the Association of B.Com (CA) of VET Institute of Arts and Science (Co-education) College, Thindal, Erode, organized a Guest Lecture on “Financial Fitness: Tuning your Money Mindset for Success” on 27 August 2024 at Seminar Hall – I from 9.30 a.m. to 12.30 p.m. The programme aimed to enhance students’ understanding of financial discipline, money management, and the importance of developing a positive financial mindset for achieving success.

The resource person for the session was Dr. S.K. Kavitha, Vice Principal and Assistant Professor, Department of Commerce and Business Administration, Bon Secours Arts and Science College for Women, Veppadai, Namakkal. She delivered an insightful and motivating lecture on the significance of financial awareness among students and young professionals.

During her session, Dr. Kavitha explained the concept of financial fitness and emphasized the importance of planning, saving, and investing wisely. She discussed various aspects such as budgeting, setting financial goals, avoiding unnecessary expenses, and developing disciplined financial habits. She also highlighted how a positive mindset towards money can help individuals achieve both personal and professional success.

The lecture was highly interactive, and students actively participated by asking questions related to personal finance and money management. The resource person shared practical examples and simple strategies that students can apply in their daily lives to improve their financial stability.

The programme was very informative and beneficial for the students of B.Com (CA). It helped them gain valuable knowledge about managing finances effectively and building a strong financial future. The session concluded with a vote of thanks, expressing gratitude to the resource person for sharing her expertise and motivating the students with her valuable insights.

### Report

The Department of Commerce and Management, Bon Secours Arts and Science College for Women, Veppadai, in collaboration with ArthNirmiti - Sunil Patodia Welfare Foundation, organized a **One Day Workshop on “Start Your Startups in College Days”** on **04.10.2024 (Friday)** at the **Seminar Hall**. The program was conducted with the objective of motivating students to develop entrepreneurial thinking and to encourage them to explore startup opportunities during their college life.

The workshop began with a warm welcome and introduction of the resource person. The session was handled by **Ms. Madhumitha**, Assistant Manager and NISM Certified Research Analyst at Choice International Broking Limited. She shared her valuable insights on entrepreneurship, startup ideas, and the importance of financial planning and market research before starting a business. She also explained the various opportunities available for young entrepreneurs and highlighted how students can utilize their creativity, innovation, and digital skills to build successful startups.

During the session, the resource person discussed the fundamentals of entrepreneurship, the steps involved in launching a startup, risk management, and the role of perseverance in business success. She encouraged students to develop problem-solving skills and to identify innovative ideas that can be transformed into viable business ventures. Real-time examples and practical suggestions were shared to help students understand the startup ecosystem.

The workshop was highly interactive, and the students actively participated by asking questions and sharing their ideas. The session proved to be informative and inspiring, helping students understand the importance of entrepreneurship and innovation in today's competitive world.

Overall, the workshop was a great success and provided students with valuable knowledge and motivation to consider entrepreneurship as a career option and to start their entrepreneurial journey during their college days.

### Report

The Department of Commerce and Management of Bon Secours Arts and Science College for Women, Veppadai, organized an “**Industrial Visit to Poonachi SPAC Food Products India Private Limited**” on 25.01.2025. The visit was arranged with the objective of providing practical exposure to students about industrial production processes and business operations.

A total of **113 students along with 4 faculty members** participated in the industrial visit. The students were warmly received by the officials of the company and were given an overview of the organization, its production methods, and its operational activities.

During the visit, the students learned about the **importance of production processes and the industrial use of starch**. The company representatives explained the various stages involved in the production and how raw materials are processed and utilized in different industrial applications. The session helped the students understand the practical aspects of industrial production and its relevance to commerce and business studies.

The visit was highly informative and provided the students with an opportunity to observe real-time industrial practices. It also helped them gain knowledge about production management, quality control, and the application of industrial materials in manufacturing.

Overall, the industrial visit was a **valuable learning experience** for the students. It enhanced their practical knowledge and provided exposure to the functioning of an industrial unit, thereby bridging the gap between theoretical learning and real-world industrial practices.

### Report

The Department of Commerce and Business Administration of Bon Secours Arts and Science College for Women, Sowthapuram (PO), Veppadai, Namakkal, affiliated to Periyar University, organized a **Guest Lecture Program on “The Economic Impact of Women-Owned Business”** on **08.01.2024 at 10.00 a.m.** in the **Seminar Hall**. The program aimed to create awareness among students about the significant role played by women entrepreneurs in economic development and business growth.

The session was delivered by **\*\*Dr. VellingiriP, M.Com., M.Phil., Ph.D., Associate Professor and Head of the Department (Commerce – CA) at VET Institute of Arts and Science, Erode.** The resource person shared valuable insights on the contribution of women entrepreneurs to the economy and emphasized the growing opportunities for women in the business world.

During the lecture, the speaker highlighted the importance of women-owned enterprises in generating employment, promoting innovation, and strengthening the economy. He also discussed the challenges faced by women entrepreneurs and explained various strategies to overcome these barriers. Real-life examples of successful women entrepreneurs were shared to motivate the students and encourage them to consider entrepreneurship as a viable career option.

The lecture was highly informative and interactive. Students actively participated in the session by asking questions and engaging in discussions. The program provided them with a deeper understanding of the role of women entrepreneurs in economic development and inspired them to explore business opportunities in the future.

Overall, the guest lecture program was a great success and enriched the knowledge of the students by providing practical insights into women entrepreneurship and its economic impact.

### Report

The Department of Commerce and Business Administration of Bon Secours Arts and Science College for Women, Sowthapuram (PO), Veppadai, Namakkal, affiliated to Periyar University, organized a **One Day Workshop on “E-Filing on GST”** on **14.02.2025 at 10.00 a.m.** in the **Seminar Hall**. The objective of the workshop was to provide practical knowledge about Goods and Services Tax (GST) and to train students in the process of GST e-filing.

The resource person for the workshop was **\*\*CA V. Jayaprakash, M.Com., MCA., FCA., DISA (ICAI), DITL (ICAI), MICA, Chartered Accountant**. The session focused on the fundamentals of GST, the importance of tax compliance, and the procedures involved in filing GST returns online.

During the session, the resource person clearly explained the structure of GST, different types of GST returns, and the step-by-step process of **e-filing GST through the online portal**. He also demonstrated how businesses register under GST and maintain proper tax records. Practical examples and demonstrations helped the students understand the process of tax filing and its relevance in business operations.

The session was highly interactive and informative. Students actively participated by asking questions and clarifying their doubts regarding GST procedures and tax filing methods. The workshop enhanced the students' understanding of taxation and provided them with practical exposure to GST compliance.

Overall, the workshop was a **very useful and enriching learning experience** for the students. It helped them gain practical knowledge about GST e-filing and prepared them to handle taxation procedures in their future professional careers.

## BON SECOURS ARTS AND SCIENCE COLLEGE FOR WOMEN

(Affiliated to Periyar University)

Gopalapuram, Sowthapuram (Po), Namakkal (Dt), Tamil Nadu – 638 008

Department of Commerce, Commerce(CA) and BBA

### Report

The Department of Computer Science and Commerce of Bon Secours Arts and Science College for Women, Sowthapuram (PO), Veppadai, Namakkal, affiliated to Periyar University, successfully organized an inter-departmental event titled “**BLITZ 2K25**” on **19.02.2025**. The event was conducted with the objective of encouraging students to showcase their technical skills, creativity, and talents through various competitions.

The program consisted of both **technical and non-technical events**, providing students with a platform to demonstrate their knowledge and innovative abilities. The **technical events** included **PPT Presentation, Debugging, and Logo Creation Connection**, which focused on enhancing students’ analytical thinking, programming knowledge, and design skills.

In addition, several **non-technical events** were organized to encourage creativity and entertainment among the participants. These included **Group Dancing, Mime, Ad-Zap, and Variety Entertainment**, where students enthusiastically displayed their artistic talents and teamwork abilities. The competitions witnessed active participation from students across different departments, making the event lively and engaging.

The event created a vibrant learning environment where students were able to exchange ideas, develop confidence, and improve their presentation and problem-solving skills. Participants showed great enthusiasm and competitive spirit throughout the day.

The program was well organized by the faculty members and student coordinators of the Department of Computer Science and Commerce. Winners of various competitions were appreciated and recognized for their outstanding performances.

Overall, **BLITZ 2K25** was a grand success. The event not only strengthened the technical and creative abilities of students but also provided an opportunity for them to interact, collaborate, and celebrate their talents in a joyful and academic atmosphere.
