Department of Textile and Fashion Designing

Our department of Textile and Fashion Designing was organized five days workshop on computer Aided Designing. It was arranged specially for III-Year students. During those days students learn about pattern Making, pattern grading and Marker plan for kids garment, women's garment and men's garment. In each topic they learn four types of blocks for pattern Making and grading. It was very useful to our students for their practical subject and gain the skill full knowledge about CAD in garment industry.

Our department of Textile and Fashion Designing organized one day Workshop on Coffee painting. This workshop produced an interesting sepia effect in art work not to mention its cheap to get your hands on and easy to create with too. It was also a medium for there peptic the students art work and improve the motivation and sense of confidence.

A photograph of four women standing in a row on a small stage. They are wearing traditional Indian saris in different colors: blue, white, orange, and green. Behind them is a large black chalkboard with the words 'COFFEE PAINTING' written on it in white chalk. Above the chalkboard, there is a small framed picture on the wall. The setting appears to be a classroom or a small theater.
