INDUSTRIAL VISIT-SILK FARM YERCAUD

DATE: 13.02.2026

VENUE: YERCAUD

The industrial visit was organized to provide our students of Textile and Fashion Designing with practical exposure to silk production processes. The aim was to bridge classroom learning with real-world industry practices and enhance students' understanding of natural fibre cultivation and its applications in fashion and textiles. The visit emphasized the importance of silk in the textile industry and its role in sustainable fashion. Interaction with farm experts allowed students to clarify doubts and understand the challenges and opportunities in silk production.
